EXTRACT from a Letter addressed by the Board of  
Revenue at Madras to the Chief Secretary to the  
Government of Fort St. George, dated 24th June.

"Under the arrangements made for the Current year,  
no Salt is to be supplied from the Tanjore District. The  
Board recommend therefore that the publication of that  
Notification be discontinued, and general publicity be given  
at the Presidency of Fort William to the Advertisement  
from this Office dated 25th, published in the Fort St.  
George Gazette on the 27th April 1833, and

22d May. re-published on the dates noted in the margin;  
15th June. notifying the terms on which Salt is procurable  
for export to Calcutta, in the Current year.

3. It seems to the Board that it would also be advisable,  
considering the large quantity of Salt which remains to be  
transported to Calcutta, in the Current year, to re-publish

In the *Calcutta Gazette*, for the information of the Ship Owners of that Presidency, the periodical statements of the quantity of Salt remaining to be exported from the Coast, and the quantity actually ready for shipment, which are published Weekly in the *Fort St. George Gazette*.

NOTICE is hereby given, that a Special General Meeting of the Subscribers to the Civil Annuity Fund will take place at the Town Hall, on Monday 26th August, to take into consideration the following proposed changes in Rules III. VIII and XI.

*Extract from letter to Managers.*

It appearing to us that the unprecedented stagnation of promotion in our Service arising from the loss by numerous mercantile failures and other unforeseen causes, of the hard earned accumulations of many of our Senior Members, calls for some measure of relief; moreover that one of the main objects of our subscribing to the Fund has been only partially attained by the very limited number of Civilians who have retired since the institution of the Fund, leaving 96 Annuities unaccepted up to the present year 1833, inclusive, the following Regulations are therefore proposed to be substituted for Regulations III. VIII. and XI. for the period of 4 years, viz. for 1834-5-6-7.

*In lieu of Regulation III.*

The Annuities for 1834-5-6-7, are fixed at 15,000 Rs. each, payable in England at 2s. the Rupee, being £1500 Sterling.

*In lieu of Regulation VIII.*

The number of Annuities offered for 1834-5-6-7 shall not be more than with the 36 now unappropriated may complete 12 per annum, the 36 of £1,000 being reduced to 24 of £1,500 each.

*In lieu of Regulation XI.*

Any Subscriber who may accept the tender of an Annuity shall be required to entitle him to such Annuity to pay to the institution previous to the date at which the Annuity is to commence.—if now residing in India the difference between one-third, and if now in Europe or on his passage out, one-half of the actual value of the Annuity on his life, and the accumulated value of his previous contribution in case the latter quantities shall be less than the former; the value shall be determined as below provided. No Subscriber shall be entitled to the increased Annuity who shall not have resided 2 years in the service after his return to India. Should all the 48 Annuities provided for in Regulation VIII. not have been accepted by 1837, the remainder shall be claimable according to precedence of choice after that period on payment of one-half the value as above provided for.

FORT WILLIAM,

JUDICIAL DEPARTMENT, THE 20 SEPTEMBER, 1833.

THE following copy of a proposed Regulation, read in Council for the first time on the 2d September, is published for general information.

A Regulation for modifying certain of the Provisions of the existing Regulations regarding the Selection, Appointment, and Remuneration of authorized Pleaders.

**Preamble.** Whereas the present Rules regarding the Selection, Appointment, and Remuneration of authorized Pleaders in the Courts of Sudder Dewanny Adawlut have been found unnecessary impediments and injurious to the interests of parties in Suits in those Courts, and whereas any inconvenience that may be expected to arise from increasing the number of Pleaders, or from the admission of unqualified persons, will be more effectually met and corrected by the interests of the parties than by any interference by the Courts, the following Rules have been enacted to be in force from the date of their promulgation.

**First.** The Provisions of Regulation XXVII, 1814, or any other Regulation in force, relative to the Appointment, Removal, and Remuneration of Wakils or Native Pleaders in the Courts of Sudder Dewanny Adawlut, are hereby declared subject to the following modifications.

**Second.** The Office of Pleader in the Courts of Sudder Dewanny Adawlut shall be open to all persons of whatever Nation or Religion.

**Third.** Any person desirous of practising as an authorized Pleader in either of those Courts shall submit his application to the Court, and if a majority of the Court be in favor of the application a license shall be granted, and the number of Pleaders previously licensed shall not be held as a reason for rejecting the application.

**Fourth.** Parties employing professional Pleaders in the Courts of Sudder Dewanny Adawlut are hereby declared at liberty to settle with them for the Remuneration to be paid to them for their professional services, and they shall not be required to make any deposit in Court on account thereof, unless they wish to do so for the satisfaction of Pleaders. But a larger amount than the fee payable under the existing Regulations shall not be chargeable in the Courts of Sudder Dewanny Adawlut to a losing Party, on account of Remuneration to his opponent's Pleader.

**Fifth.** Any person who may wish to employ an Agent not being a licensed Pleader to conduct any particular Suit, or all Suits in which such party may be concerned, may present a Petition to that effect, and the Judge to whom the Petition may be referred, shall be competent to comply with or reject the application, provided that in the latter case an appeal may be made to the Court collectively to be decided by the majority.

**Sixth.** Agents admitted to Plead, shall be authorized to perform all the acts in the conduct of those particular Causes entrusted to them that a licensed Pleader would be authorized to perform.

**Seventh.** The Courts are hereby empowered to deprive a professional Pleader of his License, and at any stage of the proceedings to prevent an Agent being employed to conduct any Cause, if guilty of any misconduct, which a majority of the Judges may deem deserving of so severe a punishment.

# MEETING of the CIVIL SERVICE ANNUITY FUND, held on the 26th August, 1833.

Mr. T. Plowden was requested to take the Chair.

The requisition from Nine Subscribers to the Fund resident in Cuttack was then read from the Chair, together with the proposed changes in Rules III. VIII. and XI. as published in the *Bengal Hurkaru, India Gazette, John Bull, Calcutta Courier, and Calcutta Gazette*, during the last six weeks.

The Chairman then proceeded to put the proposed changes in the Rules, *as revised*.

" 1st. That in lieu of Regulation III. the following be substituted—

The Annuities for 1834-5-6-7 are fixed at 15,000 Rs. each payable in England at 2s. the Rupee, being £1,500 sterling.

Mr. Bushby proposed the following amendment—

That the Hon'ble the Court of Directors be memorialized by the Service to allow three-fourths of the surplus which has already accrued, and the same proportion of the surplus which shall hereafter accrue, from short retirements, to be appropriated to the formation of a fund for the purpose of granting a

*Note.*—The remaining fourth to be reserved for extra retirements when the Bonus Fund shall be exhausted, and the end for which it is proposed shall be accomplished.

Bonus to those Members of the Service who retired upon the Annuity, according to the existing Rules of the Institution, within one year of the period at which they become entitled to that benefit, and that the following Rules or any other that the Service may think preferable, be recommended to the Court for giving effect to the Proposition.

First. That the Bonus shall be a free grant of £250 per annum in addition to the Annuity established by the Regulations of the Institution.

Second. That the Bonus shall be granted to the Annuitants of the years 1832, 1833, 1834, 1835, and 1836, without reference to the periods of their Service and Retirement.

Third. That the Annuitants of 1837, and of years thenceforward shall not be entitled to the Bonus except on condition of their retiring within one year of the time of their completing their full period of Service—25 years.

I propose, that a Committee of the present Meeting be appointed to draw up the Memorial to the Honorable Court, to whom it may also be left to adopt the necessary subsidiary measures for forwarding it, when duly signed, to the Government for transmission to England, and soliciting the Governor General in Council to give the Prayer of the Service his support.

Mr. Mangler seconded the same.

This Amendment having been put to the vote, was lost.

Mr. Pattle proposed the following Amendment:—

That the Honorable the Court of Directors be petitioned to take into their consideration, that the principal object for which the Annuity Fund was established, viz. the retirement of the Seniors of the Service, and the promotion of the Juniors, has not been obtained, and whether, in consequence, it be not highly expedient to apply the Fund, which has accumulated from the non-acceptance of the Annuity, in such manner as the Honorable Court, in their wisdom, may consider will induce the more early retirement of the Seniors of the Service in future.

Mr. R. Saunders seconded the same.

This Amendment having been put to the vote, was carried unanimously, under the following proviso—

Proposed by Mr. Mangler—

That a Committee of five Members of the present Meeting, assisted by the Secretary, be appointed to draw up a Circular Letter to the Absent Members of the Service, inviting their signatures to a Memorial

(to be drawn up and circulated at the same time,) addressed to the Honorable the Court of Directors, upon the principle of Mr. Pattle's Amendment.

Seconded by Mr. J. P. Grant, and carried *nem. con.* Mr. Bushby proposed, that the Committee be composed of the following Gentlemen:—

Mr. PATTLE.  
" H. SHAKESPEAR.  
" PARKER.  
" MANGLES.  
" J. COLVIN.

Seconded by Mr. J. P. Grant, and carried *nem. con.* Thanks were voted to the Chairman.

**T**HE following copy of a proposed Regulation, read in Council for the first time on the 2d September, is published for general information.

A Regulation for modifying certain of the Provisions of the existing Regulations regarding the Selection, Appointment, and Remuneration of authorized Pleaders.

*Preamble.*

Whereas the present Rules regarding the Selection, Appointment, and Remuneration of authorized Pleaders in the Courts of Sudder Dewanny Adawlat have been found unnecessary impediments and injurious to the interests of parties in Suits in those Courts, and whereas any inconvenience that may be expected to arise from increasing the number of Pleaders, or from the admission of unqualified persons, will be more effectually met and corrected by the interests of the parties than by any interference by the Courts, the following Rules have been enacted to be in force from the date of their promulgation.

*Parts of Regulations modified.*

II. First. The Provisions of Regulation XXVII. 1811, or any other Regulation in force, relative to the Appointment, Removal, and Remuneration of Waukeh or Native Pleaders in the Courts of Sudder Dewanny Adawlat, are hereby declared subject to the following modifications.

*The Office of Pleader in the Courts of Sudder Dewanny Adawlat declared open to all persons of whatever Nation or Religion.*

*Applications for practicing as an authorized Pleader in those Courts how to be made and determined.*

A license shall be granted, and the number of Pleaders previously licensed shall not be held as a reason for rejecting the application.

*Professional Pleaders in those Courts how to be remunerated.*

Parties employing professional Pleaders in the Courts of Sudder Dewanny Adawlat are hereby declared at liberty to settle with them for the Remuneration to be paid to them for their professional services, and they shall not be required to make any deposit in Court on account thereof, unless they wish to do so for the satisfaction of Pleaders.

But a larger amount than the Fee payable under the existing Regulations shall not be chargeable in the Costs of Suit to a losing Party, on account of Remuneration to his opponent's Pleader.

*Authority for the employment of Agents not being professional Pleaders in those Courts to conduct Suits, how to be obtained.*

Petition may be referred, shall be competent to comply with or reject the application, provided that in the latter case an appeal may be made to the Court collectively to be decided by the majority.

*Functions of such Agents.*

#### MEETING of the CIVIL SERVICE ANNUITY FUND, held on the 28th August, 1833.

Mr. T. Plowden was requested to take the Chair.

The requisition from Nine Subscribers to the Fund resident in Cuttack was then read from the Chair, together with the proposed changes in Rules III. VIII. and XI. as published in the Bengal Hurkaru, India Gazette, John Bull, Calcutta Courier, and Calcutta Gazette, during the last six weeks.

The Chairman then proceeded to put the proposed changes in the Rules,—seriatim.

1st. That in lieu of Regulation III. the following be substituted—

The Annuities for 1834-5-6-7 are fixed at 15,000 Rs. each payable in England at 2s. the Rupee, being £1,500 sterling.

Mr. Bushby proposed the following amendment—

That the Hon'ble the Court of Directors be memorialized by the Service to allow three-fourths of the surplus which has already accrued, and the same pro-

portion of the surplus which shall hereafter accrue, from short retirements, to be appropriated to the Formation of a Fund for the purpose of granting a

*Note.*—The remaining fourth of the Service who retired upon the Annuity, according to the existing Rules of the Institution; within one year of the period at which they become entitled to that benefit, and that the following Rules or any other that the Service may think preferable, be recommended to the Court for giving effect to the Proposition.

First. That the Bonus shall be a free grant of £250 per annum in addition to the Annuity established by the Regulations of the Institution.

Second. That the Bonus shall be granted to the Annuitants of the years 1832, 1833, 1834, 1835, and 1836, without reference to the periods of their Service and Retirement.

Third. That the Annuitants of 1837, and of years thenceforward shall not be entitled to the Bonus except on condition of their retiring within one year of the time of their completing their full period of Service—25 years.

I propose, that a Committee of the present Meeting be appointed to draw up the Memorial to the Honorable Court, to whom it may also be left to adopt the necessary subsidiary measures for forwarding it, when duly signed, to the Government for transmission to England, and soliciting the Governor General in Council to give the Prayer of the Service his support.

Mr. Mangles seconded the same.

This Amendment having been put to the vote, was lost.

Mr. Pattle proposed the following Amendment:—

That the Honorable the Court of Directors be petitioned to take into their consideration, that the principal object for which the Annuity Fund was established, viz. the retirement of the Seniors of the Service, and the promotion of the Juniors, has not been obtained, and whether, in consequence, it be not highly expedient to apply the Fund, which has accumulated from the non-acceptance of the Annuity, in such manner as the Honorable Court, in their wisdom, may consider will induce the more early retirement of the Seniors of the Service in future.

Mr. R. Saunders seconded the same.

This Amendment having been put to the vote, was carried unanimously, under the following proviso—

Proposed by Mr. Mangles—

That a Committee of five Members of the present Meeting, assisted by the Secretary, be appointed to draw up a Circular Letter to the Absent Members of the Service, inviting their signatures to a Memorial (to be drawn up and circulated at the same time,) addressed to the Honorable the Court of Directors, upon the principle of Mr. Pattle's Amendment.

Seconded by Mr. J. P. Grant, and carried nem. con.

Mr. Bushby proposed, that the Committee be composed of the following Gentlemen:—

MR. PATTLE.  
H. SHAKESPEAR.  
PARKER.  
MANGLES.  
J. COLVIN.

Seconded by Mr. J. P. Grant, and carried nem. con. Thanks were voted to the Chairman.

JUDICIAL DEPARTMENT, 11th 2d September, 1833.

**T**HE following copy of a proposed Regulation, read in Council for the first time on the 2d September, is published for general information.

A Regulation for modifying certain of the Provisions of the existing Regulations regarding the Selection, Appointment, and Remuneration of authorized Pleaders.

**Preamble.** Whereas the present Rules regarding the Selection, Appointment, and Remuneration of authorized Pleaders in the Courts of Sudder Dewanny Adawlut have been found unnecessary impediments and injurious to the interests of parties in Suits in those Courts, and whereas any inconvenience that may be expected to arise from increasing the number of Pleaders, or from the admission of unqualified persons, will be more effectually met and corrected by the interests of the parties than by any interference by the Courts, the following Rules have been enacted to be in force from the date of their promulgation.

**Part of Regulations modified.** II. First. The Provisions of Regulation XXVII. 1814, or any other Regulation in force, relative to the Appointment, Removal, and Remuneration of Wakeels or Native Pleaders in the Courts of Sudder Dewanny Adawlut, are hereby declared subject to the following modifications.

The Office of Pleader in the Courts of Sudder Dewanny Adawlut declared open to all persons of whatever Nation or Religion.

Applications for practicing as an authorized Pleader in those Courts how to be made and determined.

A license shall be granted, and the number of Pleaders previously licensed shall not be held as a reason for rejecting the application.

Professional Pleaders in those Courts how to be remunerated.

Fourth. Parties employing professional Pleaders in the Courts of Sudder Dewanny Adawlut are hereby declared at liberty to settle with them for the Remuneration to be paid to them for their professional services, and they shall not be required to make any deposit in Court on account thereof, unless they wish to do so for the satisfaction of Pleaders. But a larger amount than the Fee payable under the existing Regulations shall not be chargeable in the Costs of Suit to a losing Party, on account of Remuneration to his opponent's Pleader.

Authority for the employment of Agents not being professional Pleaders in those Courts to conduct Suits, how to be obtained.

Petition may be referred, shall be competent to comply with

or reject the application, provided that in the latter case an appeal may be made to the Court collectively to be decided by the majority.

Functions of such Agents.

Those particular Causes entrusted to them that a licensed Pleader would be authorized to perform.

Competence of a majority of the Judges of the Courts to deprive a professional Pleader of his License and to prevent an Agent being employed to conduct any cause if guilty of misconduct.

Sixth. Agents admitted to Plead, shall be authorized to perform all the acts in the conduct of those particular Causes entrusted to them that a licensed Pleader would be authorized to perform.

Seventh. The Courts are hereby empowered to deprive a professional Pleader of his License, and at any stage of the proceedings to prevent an Agent being employed to conduct any Cause, if guilty of any misconduct, which a majority of the Judges may deem deserving of so severe a punishment.
